

Herning/ Dänemark. Die anstehenden Europameisterschaften der Senioren im dänischen Herning (20. bis 25. August) in Springen, Dressur und Para-Dressur sind schon fast ausverkauft. Das meldet der Veranstalter.

The interest for tickets to the ECCO FEI European Championships in Herning is enormous, from Denmark as well as abroad.

"It has been amazing to experience that we already half a year before the competitions start are sold out of the top category 1 tickets on Sunday, and of the best Partout Passes. We had hoped for this scenario, but not dared to believe in it before now, "says Jens Trabjerg, Show President of the European-Herning.

Partout Passes for the dressage competitions are sold out and the same almost goes for the passes for jumping. There are still single tickets to purchase for all the competitions, but sales are going very well at the moment.

ECCO FEI European Championships will be represented at the major trade fair in connection with the Danish Warmblood National Stallion Show in MCH Exhibition Centre Herning from 6 – 10 March, and it is expected that there will be substantial interest in buying tickets at the EC-stand at the fair.
